Bulletin 3

Safety pilot allowed in power sportsman and primary

Competitor flying in Sportsman (Power) or Primary categories may have a safety pilot during the flight. Finding and agreeing with the safety pilot is on sole responsibility of the competitor.

Safety pilot must be competent, preferably Advanced level pilot, and shall not fly the same category in the competition.

Competition fee is 150€

Competition fee is 150 euro for all the categories. If competitor competes in both power and glider categories, the fee covers both.
