2024

1.

Stauning Airport

EKVJ

Denmark

Bulletin No. 1 ver. 4

Danish Aerobatic Association

WELCOME

Welcome to Nordic Powered Aerobatic Championships 2024. The Danish Aerobatic Assn. as organizers, look forward to hosting you at Stauning airport (EKVJ).

The small town of Stauning is located on the west coast of Denmark - in a beautiful location near the coast – and far from big cities.

Stauning Airport is home to many flying activities including old timer aircraft - notably the KZ airplanes built in Denmark. A museum on the airfield has a full collection of these fine flying machines as well as many other beautifully restored aircraft - many of which are in flying condition.

The NAC 24 will take place in the last week of August of 2024 – with training commencing on August 25th and competition ending on August 31st.

In the following, you will find the initial outline of the event and registration details.

Welcome, we are looking forward to seeing you, your fine aircraft and all our aerobatic friends in Stauning.

Lennart Wahl

Contest Director

SCHEDULE

| Date | Time | What happens |
|-----------------|-------------|--|
| Now Open | | Registration opens for Nordic Pilots |
| 10.07.2024 | | Registration opens for Non-Nordic pilots |
| 24.07.2024 | | Free programs – deadline |

The schedule is subject to change without notice due to technical, weather, organization reason etc.

All times are Local times (Lt)

Danish Aerobatic Association

2.REGISTRATION / ENTRY

Entries to the NAC24 competition are on 'first come, first served' basis. Early entry registration is therefore encouraged.

Your entry is fully confirmed only when you have paid the entry fee. We advise you to do so upon submitting your registration form to secure your entry. The entry fee is non-refundable except at the discretion of the Contest Director in exceptional circumstances.

The maximum number of competitors in NAC is limited to 30 pilots.

The minimum number of competitors in NAC required for the competition to go ahead is 20 pilots.

Non-Nordic pilots may enter the contest, however, are not eligible for Nordic Championship prizes.

The competition will open for entry of Non-Nordic pilots on 10.07.2024. This allows for all interested Nordic participants to enter before opening for Non-Nordic pilots.

The registration form is available on website: <https://www.nac24.dk/>

Responsibilities of each competitor

- a) As a participating competitor you must legally fly your aircraft – this is your own responsibility. The organizers will not take any responsibility.
- b) Please check that you have a valid license, medical, and all documents for the airplane are OK for the airplane to fly in the contest.
- c) Check the aircraft insurance is valid during the contest.
- d) The organizers will arrange an altitude waiver to fly down to 500' AGL (minimum altitude is 2000' AGL according to Danish CAA rules), starting from: 25.08.2024.
- e) It is your own responsibility as a pilot, that you may legally fly down to the minimum altitude in your class as defined in the NAC24 by IAC official rules for 2024 amended by Nordic Rules.

Danish Aerobatic Association

3.FEES and PAYMENT DETAILS

The entry fee for pilots are: 200 Euro in all classes, except Primary: 100 Euro

Payment information:

IBAN DK5005370000859400
Swift: DRAGDK21
Account no. 0537 0000859400
Dragsholm Sparekasse
Storegade 19
4550 Asnæs
Danmark

Please list your name as written in your registration form on the payment to secure identification.

Latest date for payment is 24.07.2024.

4.FREE KNOWN SEQUENCE.

The deadline for Free Known submission is 24.07.2024 by Open Aero computer file to the following address: victor.byrholt@gmail.com

Be sure to include the link so we can open the program in Open Aero.

5.TRAINING FLIGHTS.

Official training will be possible from Monday 25.08.2024. The competition box will be marked during official training and competition days. Earlier training at the location may be possible, contact the Contest Director for more information and possibilities.

Official trainings slots will be provided at the morning briefing on each training day.

6.HANGAR

Hangar space will be available on a first-come, first-served basis. Please let us know as soon as possible.

7.FUEL and OIL

Fuel: 100 LL will be available within opening hours, during training, competition, and for ferry flights

Danish Aerobatic Association

Oil: Shell products will be available within opening hours, during training, competition, and for ferry flights.

Opening hours are 08.00-19.00.

8. COMPETITION FLIGHTS and RULES

Rules: MANIAC Nordic Championship rules

Sequences

Primary: Nordic rules. Three flights; '*Nordic Primary*' x 3

Only the two highest scoring flights are included in the competition

Sportsman: IAC rules. Three flights; IAC Known Compulsory, IAC Free/Known Compulsory, IAC Free/Known Compulsory (an Unknown may be flown as well)

Only the two highest scoring flights are included in the competition

Intermediate: IAC rules. Three flights; IAC Known Compulsory, IAC Free, IAC Unknown #1.

Advanced: CIVA rules. Four flights; CIVA Free Known, CIVA Unknown #1, CIVA Unknown #2, CIVA Unknown #3

Priority will be given to achieve three flight programs in all classes should the schedule not allow for completion of all flights.

The minimum number of flights for announcement of results of competition in a class is two flights.

The organizer will provide all the unknown programs at the first briefing. This is due to difficulties for the organizer to arrange figure selection during the contest.

Starting order will be mixed to allow for optimum flight order.

9.COMPETITION BOX

Box location will be as follows:

10.ORGANISATION

Contest Director: Lennart Wahl, +45 24 45 72 46, mail@lenair.dk

Danish Aerobatic Association

11.

12.ACCOMMODATION

Potential accommodation options will be shared shortly.

Dinner: Welcome dinner and Closing dinner will be arranged by the organizers for pilots and all non-flying participants in the event.

Feel free to ask any questions, and have a great Aerobatic Season, preparing for NAC24

Kind Regards.

Lennart Wahl,

on behalf of the Danish Aerobatic Association
